CLW respects and protects your privacy and Inbox.

Your contact information is safe with CLW

What Does This Mean?

The form on our website or forms in social media will only be used to send you email that is related to what you subscribed to and the purpose for which you subscribed. CLW also agrees to abide by legal anti-spam rules and anti-spam laws like [CAN-SPAM](#).

"What If I Want To Unsubscribe?"

In the footer or bottom of any communication we send or provide to you is an unsubscribe link allowing you to stop any email CLW is sending you at anytime. This is called Unsubscribing or opting-out. Once you unsubscribe, CLW stop all email to the address that was subscribe to the system and the system will never send email to that address again.

You can unsubscribe whenever you want with a click of your mouse. If later you change your mind and would like to receive email from CLW again, you can locate a CLW email in your inbox, click the unsubscribe link and reactivate your contact information to begin receiving CLW email again, or you can contact CLW to get instructions for re-joining us..

"What If I don't want to completely unsubscribe? What if I only want to stop a particular email series or update my contact information?"

In the footer or bottom of any email you receive from CLW, you will also find an **Update Profile** link. Once you click the Update Profile link, you will be taken to a page where you can select to discontinue an email series and/or update your contact information.

"Will CLW rent, sell or share my contact information?"

CLW WILL NOT SHARE, RENT, or SELL CUSTOMER INFORMATION (PERIOD).

"How Does CLW Prevent Spam and Protect my inbox from spam abuse?"

Our email system [OfficeVP](#) takes a strong position against spam. We do not tolerate spam abuse. [OfficeVP](#) does depend on technology alone. We employ a team of real people who can, detect clues about content and users that may jeopardize our deliverability. Any such accounts will be immediately suspended and/or terminated and if necessary, [OfficeVP](#) will alert users regarding any risk factors they need to address.

The CLW communications system, [OfficeVP](#) follows best practices in several email industry and anti-spam groups like the [Messaging Anti-Abuse Working Group](#), the [Anti-Phishing Working Group](#) and the [Online Trust Alliance](#).

Report Abuse - Help Us Stamp Out Spam!

If you feel you have received spam from CLW, please report it to our Anti-Abuse Team immediately. You can send an email abuse@OfficeVP.com and there is a link in each of our communications where Spam can be reported immediately. .
